LETTER DATED 5 MAY 1971 FROM THE PERMANENT REPRESENTATIVE
OF THE KHMER REPUBLIC TO THE UNITED NATIONS ADDRESSED TO
THE PRESIDENT OF THE SECURITY COUNCIL

On the instruction of my Government and further to my letter No. 1399
of 27 April 1971 (S/10183), I have the honour to bring the following to your
attention for the information of the members of the Security Council:

During the night of 16-17 February 1971, at about 8.40 p.m., the Viet-Cong -

of Khmer forces at a point five kilometres south-east of Pray Totung, in Kompong
Cham.

During the same night, Khmer forces based about five kilometres north-west
of the town of Kompong Cham were subjected to several rounds of automatic
weapon fire, without suffering any casualties.

On 17 February 1971, at 1.15 p.m., Khmer forces on operations in the
south-west area of Kompong Cham, eleven kilometres from the town, were harassed
by the Viet-Cong - North Viet-Namense aggressors. Heavy fire was quickly silenced
by the counteraction of the Khmer forces, which sustained one wounded.

On the same day, at 11.20 a.m., Khmer forces at the Sra Khlong camp
twenty-seven kilometres south-west of the town of Kompong Speu vigorously
countered the harassing fire of 75-mm recoilless ordnance from the Viet-Cong -
North Viet-Namense aggressors, compelling the enemy to stop firing within ten
minutes. The Khmer side suffered two persons wounded.

On the same day, at 11.10 a.m., two adjoining positions of Khmer forces
situated seven and eight kilometres west of the chalat at Fich Nil, in
Kompong Seila, were harassed by the Viet-Cong - North Viet-Namense aggressors,
leaving four wounded on the Khmer side.

During the night of 17-18 February 1971, at about 12.35 a.m., Khmer forces based at Phum Mien, some four kilometres east of Prey Totung on National Highway 7 in Kampong Cham vigorously countered the harassing fire from the Viet-Cong - North Viet-Namense aggressors. The enemy, forced to withdraw, carried away several wounded.

During the same night, at 8.40 p.m., Khmer forces based at Trapeang Chhok, situated some twenty kilometres north-west of Phnom Penh, in Kandal, were harassed by the Viet-Cong - North Viet-Namense aggressors. Vigorous counteraction by the Khmer forces compelled the enemy to withdraw at about 9 p.m.

During the same night, at about 12.40 a.m., the Viet-Cong - North Viet-Namense aggressors fired about twenty 82-mm mortar shells on a Khmer position outside the town of Svay Blong.

During the same night, between 5.00 and 5.30 p.m., four Khmer positions in the Pursat area - at Svay Ath six kilometres north-east of the town, at Sala Brok de Pursat three kilometres north of the town, at the railway station near the western edge of the town, and at Phum Sier fourteen kilometres north-east of the town - were harassed by the Viet-Cong - North Viet-Namense aggressors.

On 18 February 1971, at 12.20 p.m., Khmer forces on a search operation twenty-seven kilometres north-west of Phnom Penh, in Kandal, clashed with an undetermined number of Viet-Cong - North Viet-Namense aggressors.

On the same day, another clash occurred between Khmer forces on patrol at Phum Talok Trálek, 8.5 kilometres north-east of Kat Deng, in Kandal. The Viet-Cong - North Viet-Namense aggressors disengaged after half an hour of fighting and carried away with them a number of dead and wounded. There were three persons wounded on the Khmer side.

During the night of 18-19 February 1971, a Khmer position situated approximately sixteen kilometres north of the town of Kampong Speu was harassed by the Viet-Cong - North Viet-Namense aggressors. When the Khmer forces returned the fire, the aggressors stopped firing.

During the same night, at 7.00 p.m., a Khmer position at Stung Soral was harassed by the Viet-Cong - North Viet-Namense aggressors.

During the same night, at 8.30 p.m., a Khmer position at O Bak Kotés situated at kilometre 36 on National Highway 4, to Kompong Speu, was harassed by the Viet-Cong - North Viet-Namense aggressors, whose fire was quickly silenced by the counteraction of Khmer forces.

On 19 February 1971, at 6.30 p.m., Khmer forces based twenty kilometres west of the town of Kompong Chhnang vigorously countered an enemy attack. The Viet-Cong - North Viet-Namense aggressors were forced to withdraw after several unsuccessful attempts at assault.

On 20 February 1971, at 12 noon, Khmer forces on a search operation at Iovés Sâr approximately thirty-two kilometres south-east of Phnom Penh, in Kandal, on the east bank of the Mekong, engaged the Viet-Cong - North Viet-Namense aggressors. With support from heavy weapons, the Khmer forces took vigorous action and forced the aggressors to withdraw. The enemy carried away a number of dead and wounded. The Khmer side suffered one dead and one wounded.

On the same day, Khmer forces on a search operation at Khun Ban Saing ten kilometres south-west of Pék Pnecou, in Kandal, clashed with Viet-Cong - North Viet-Namense aggressors.

On the same day, at 3.00 a.m., Khmer forces on patrol twenty-eight kilometres south of the town of Kompong Chhnang engaged Viet-Cong - North Viet-Namense aggressors at Iham May on National Highway 5, as a result of which there were several wounded on the Khmer side.

I wish to reiterate the firm and vigorous protest of the Government of the Khmer Republic at the illegal and continuing occupation of Khmer territory, followed by savage attacks perpetrated by the Viet-Cong - North Viet-Namense Forces against a neutral and peace-loving country to which they have no right and with which they have no ethnic affinity, in flagrant violation of the United Nations Charter, of international law and of the 1954 Geneva Agreements. These criminal attacks reveal for all to see the annexationist aims of the Viet-Cong - North Viet-Namense communist imperialists, and represent a dangerous threat to peace and security not only in the Khmer Republic, but throughout the region of South-East Asia.

The Government of the Khmer Republic holds the Government of the Democratic Republic of Viet-Nam and the so-called Provisional Revolutionary Government of South Viet-Nam entirely responsible for all the extremely grave consequences resulting from this situation and reserves the right to take any necessary action to defend the independence, neutrality, sovereignty and territorial integrity of the country.

I should be grateful if you would have the text of this communication circulated as a Security Council document.
